**LAUGHTER:** It has been said, quite correctly, that laughter is God's medicine, but sometimes, amid the stress of the day, we forget to take our medicine! Instead of viewing our world with a mixture of optimism and humor, we allow worries and distractions to rob us of the joy that God intends for our lives. Today, as you go about your daily activities, approach life with a smile and a chuckle. After all, God created laughter for a reason. Laughter is like internal jogging - in many ways as good as physical exercise! -- *Family Christian Press, 2006*
